

SEQUENCE LISTINGS

Sequence listings for SEQ ID NO: 1 and SEQ ID NO:2 are submitted in computer readable format on compact disc, two identical copies of which are submitted, with this reference to those listings given in lieu of presentation of the listings on paper. These two identical compact discs are named "DLHurley" and contain the following one file, DLH1600.txt, created on 21 December, 2001, with a size of 46kbytes. The single file contains the listing for both 2 sequences.
